

# Pirate Chatter

**J**ust a reminder that our COVID 19 plan is outlined on the NSD website now that we are starting to see positive COVID-19 cases among staff and students. Our elementary teaching staff is planning ahead for various scenarios of red and yellow. We are a strong team and **you are part of that team** as we continue to be a team these next few weeks. WE > me

I am hoping that we continue to stay open full time in the green category and will be encouraging healthy habits for all of our Pirates!

Stay Healthy,

Jen  
P.S. School on Friday!
