Dear Parents,

Notus Foodservice has been proud to serve all students breakfast and lunch at no cost, regardless of the family income. While we are currently awaiting final guidance from the USDA, free lunches will likely end prior to the start of the 2022-23 school year. Free breakfast will continue to be served.

Based on this information, the District will need to charge for lunches beginning August 2022.

Online Free and Reduce Applications will be available beginning July 25, 2022 and need to be submitted by August 12, 2022 to ensure your student's status for the first day of school.

Families can find the 2022-23 Free and Reduced Applications on the Notus School District website by selecting the link under the Child Nutrition tab. Forms will also be available during registration or by contacting the Notus Child Nutrition Director at baldazok@notusschools.org or by calling 208-459-7442 Ext. 140.

Thank you.

Kris Baldazo
Notus Foodservice Director
