

Hiring Process and Criteria

The Board of Trustees has the legal responsibility of hiring all employees. The Board assigns to the Superintendent the process of recruiting staff personnel. The Superintendent may involve various administrative and teaching staff personnel as may be needed in recruiting staff personnel. All personnel selected for employment must be recommended by the Superintendent and approved by the Board.

To aid in obtaining quality staff members, the following factors will be considered: training, experience, personality, character and ability to relate well with students. Every effort will be exerted to maintain wide diversity in staff experience and educational preparation. However, the welfare of the children of the District will be a paramount consideration in the selection of teachers and administrators.

Guidelines

1. There will be no discrimination in the hiring process due to age, sex, creed, color, race, national origin or handicapping condition. See Policy 5120.
2. Candidates for teaching positions shall provide evidence of meeting State requirements for regular certification. In cases of absolute necessity, holders of a letter of authorization may be employed in a regular full-time capacity, not to exceed one year, and only upon receiving prior approval from the Idaho State Department of Education.
3. Candidates for high school and middle school positions should have a major or its equivalent in the specific teaching field(s). Elementary candidates should have a major or its equivalent in elementary education or in the special area of assignment(s).
4. Candidates for all teaching positions should have a minimum over-all grade point average of 2.5 (A-4, B-3, C-2, D-1). All candidates should have a grade point average of 2.75 in their respective major teaching field(s).
5. When considering coaching assignments in secondary schools, preference for hiring will be given to a qualified teacher in the school where the coaching vacancy exists. The Building Principal will certify that all qualified candidates within the building have been given consideration.
6. As required in Idaho Code 65-505, the District will observe preference for veterans and disabled veterans when considering hiring employees to fill vacancies, selecting new employees or implementing a reduction in force.

The employment of any certified staff member is not official until the contract is approved by the Board and signed by both the Board Chairman and the candidate.

Guidelines

To assist administrators in compliance with the above policy for the hiring of certificated teaching staff, the following guidelines shall be utilized:

I. Notice of Vacancies

- A. Vacancies will be posted only after receiving written resignation from a contracted professional employee of the District. When that official resignation has been received, the Superintendent will post notices in all school buildings and the district office.

The Superintendent's Office will post notice of any certificated teaching vacancy within the District in compliance with the Master Agreement. Such notice shall be posted for ten (10) school days within the District for current teachers or administrators to apply for the position.

- B. Upon the conclusion of the ten (10) school day period, the appropriate administrator will meet with the appropriate building or program administrator, and review all requests for transfer. The building/program administrator will have the responsibility to interview all candidates who meet the qualifications needed for the position, and may or may not make recommendation for such in-District transfer after review. Any teacher requesting a transfer has an obligation to notify his/her building administrator.
- C. If a transfer is recommended, it will be submitted in writing to the Superintendent immediately following such determination. Since such transfer would automatically create a vacancy in another location, notice of that vacancy will be posted as specified above, with the exception that if the same grade level vacancy for the school has already been posted, the above building notice requirement will be waived.
- D. Should the building/program administrator determine that he/she does not wish to accept the request for transfer of any individual, or no individuals have requested a transfer, the principal will give notice to the appropriate administrator, who will prepare a job notice to be 1) sent to all Placement Centers or Universities inside the State of Idaho; 2) all Placement Centers in states having coterminous boundaries with the State of Idaho; and 3) sent to any applicant who has previously expressed in writing a request of notice of like vacancy.
- E. An application or letter of interest will be maintained within the District file for a period of one year from the date of inquiry. It is the responsibility of any

applicant who desires to be considered for positions within the District to reactivate his/her file annually.

- C) Upon receipt of the completed applications, those applications will be placed alphabetically in a file for review and consideration at the Central Office.

V. Preliminary Screening

- A) At either the time the job vacancy is published, or prior to the conclusion of the application period, the school administrator will provide notice to the appropriate administrator of the desired number of qualified individuals to be included in the "screening pool". The screening pool shall be defined as the number of individuals having completed applications that will be submitted to the building or program administrator for final screening.
- B) Should the building or program administrator desire to have applicants prioritized, he/she shall make such known to the appropriate administrator who will provide the prioritized list of a number consistent with the pool.

Should the person willfully refuse to acknowledge receipt of the contract or the contract is not signed and returned to the board in the designated period of time, the Board may declare the position vacant. Should the candidate not be approved, or the person willfully refuse to acknowledge receipt of the contract or the contract is not signed and returned to the board the Superintendent will remand the situation to the building administrator and screening committee to provide the next applicant's name for consideration.
